## Meeting the needs of prospective members.

Applying to a housing co-op can be a time-consuming process. Where do you start? What do the co-ops look like? How do you apply?

*Visit Guildtown Co-op online*

Now you can find answers online at [www.CanCoNet.com](http://www.CanCoNet.com)

### We provide:

- Walk through photo tours
- Online applications
- Maps

## Meeting the needs of housing co-ops.

Finding suitable members is a problem for some co-ops. Others need help managing their affairs. Many more need to find ways to save time and money. We can help!

### We provide:

- Web page design
- Marketing of your co-op
- Membership recruitment
- Discussion groups
- Links to quality goods and services.

*Kaslo Gardens Housing Co-op*

### Who created the Network?

East Vancouver resident and Kinross Creek Co-op member Chris G. Corless developed the idea. Chris' company, CCN Web Services, formed a partnership with Cana Management Associates to launch the Network on the Web.
